896 SQ.FT

Tucked into Pioneer Hills, a 55+ community in South Reno with one of the lowest space rents in the Reno area, this 2 bedroom, 1 bathroom home offers 896 square feet of recently updated, easy living. The layout is a great one, with a wide open living room that flows right into the kitchen, making the space feel bright, connected, and perfect for everyday living or hosting friends. The bathroom is beautiful, and the generously sized master gives you plenty of room to spread out.

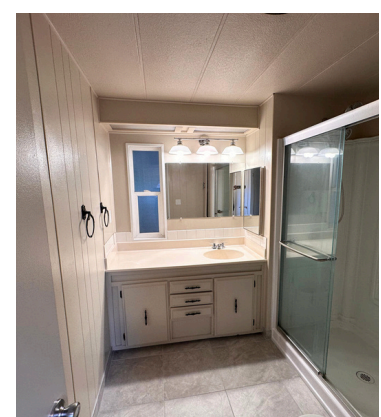

The outdoor space is a real standout. A welcoming front deck is the ideal spot for morning coffee, and the large yard gives you room to garden, relax, or make it your own. The very large carport easily covers your vehicles, and two sheds provide plenty of storage for tools, hobbies, and seasonal items. Add in the mountain backdrop and the friendly feel of a senior community, and this is a home you'll be glad to come back to.
