

OWNER FINANCING!

\$134,900

17650 Reno Park Bl #9 Reno, NV 89506
1991 26 x 40 960 sq ft

This beautifully kept 3-bedroom, 2-bath home is a standout in a quiet family park, and at just \$425 a month, the space rent is one of the lowest you'll find. It sits on a large lot with beautiful views, and best of all, the seller is open to owner financing with a minimum down payment of \$45,000. Step inside and the vaulted ceilings make the whole home feel open and bright. New knotty pine walls give it a warm, cabin-like character you don't often see, and because they're built thicker than standard, the home stays very quiet and your heating and cooling bills stay ultra low. Newer flooring runs throughout. The kitchen has newer cabinets with tons of storage space, tiled counters, and an upgraded sink. All appliances stay, including the washer and dryer, in their own separate laundry room. There's also a mudroom to keep the mess at the door. Newer interior and exterior doors and your choice of gas or electric heat round it out, and the home can be sold furnished or unfurnished, whichever suits you. The outside has been just as well cared for. Enjoy your mornings on the covered patio, let the kids and pets run in the large fenced yard, and store everything in the very nice shed. A ramp at the entrance makes coming and going easy for everyone. It's very well maintained and low maintenance, so you can spend your time enjoying the home instead of working on it. Homes like this, at this space rent and with owner financing possible, don't last. Call today to schedule your showing.
